- Have you had knee surgery, back problems, got tired of twisting your ankles? Try Table Tennis. It is a great way to improve your leg strength without overtaxing your joints.
- Table tennis is a family sport for the young or senior. Players can compete on an equal playing field, regardless of age, gender, physical size or strength.
- Table tennis is a great eye-hand coordinator and builds confidence and concentration. It also improves mental alertness. It's a great way to exercise and relieve stress and most of all FUN!
- Door is open to anybody who wants to play table tennis, with beginners, intermediate and advanced players. Come to the club to make friends, do exercise and improve your table tennis skills.

**Come to our club to enjoy the  
great sport of Table Tennis!**
